

### TABURETE, THE POWER OF POP ROCK MUSIC

**Starlite Occident** will welcome **Taburete** for the sixth consecutive year next **Tuesday, August 15<sup>th</sup>**.

The group that revolutionized the national pop will present their latest album entitled **Matadero 5** on the **Auditorium** stage. **Taburete** will make all attendees enjoy their new show in which they will play their new album, as well as their greatest hits that have made them position themselves as national pop/rock referents.

The band was born in 2014 from the hand of **Willy Bárcenas**, singer of the group, and **Antón Carreño**, guitarist, as a result of the complicity of these two friends. Their adventure as a group began with the album "**Tres tequilas**", and they reached national recognition with their famous single "**Sirenas**" from the following album "**Dr. Charas**". They crossed borders with "**Madame Ayahuasca**" and became unstoppable with their album "**La Broma Infinita**". A whole career surrounded by successes with six albums to their credit, a **Latin Grammy** nomination and sold out concerts in Spain and Latin America.

**Taburete** returns one more year to **Starlite Occident** to present their latest work **Matadero 5**, in which they show their melodic and compositional versatility. An album full of great hits like "**Cuando Se Apaga La Luz**" or "**Camarón**" and great collaborations with Omar Montes, La Húngara or Dúo Dinámico.

Next **Tuesday, August 15<sup>th</sup>**, the Madrid band Taburete, full of good vibes, energy and lots of music, will make the audience vibrate at the **Starlite Occident** in a night impossible to forget.
